PROFESSIONAL EXPERIENCE

- 1994 to present: **Discovery Referee, Mediator and Arbitrator**
I have served as a Discovery Referee or Special Master in over 250 hotly litigated complex matters in the areas of business, insurance, construction, employment, financial markets, real estate, family law, personal injury and probate. Court assignments have come from the Superior Courts throughout the state
- I have handled over 500 cases as a Mediator or Pro-Tem Settlement Judge with a settlement rate in excess of 90% in the areas of real property (including eminent domain, easements and commissions), personal injury, product liability, elder abuse, construction defect (including liens and construction operations losses), employment (including wrongful termination, discrimination, harassment and wage and hour claims), business disputes, mortgage and foreclosure matters and lemon law.
- 2010 to present **Founder-Author of www.resolvingdiscoverydisputes.com**
A continuously updated series of articles on using discovery to reach evaluation, mediation and trial goals. The articles rely on statutory authority, current case law and real world scenarios to aid attorneys in their research and approach to discovery related issues and tactics.
- 1995 to present **Pro-Tem Judge for Settlement Conferences and Discovery Disputes**
Conducted mandatory settlement conferences for Contra Costa, San Mateo and San Francisco Superior Courts. Acted as a Pro Tem Discovery Judge for San Francisco Superior Court and a Discovery Facilitator for Contra Costa Superior Court.
- 1994 to present **Speaker and Trainer on California Discovery**
Speaking and providing interactive training on discovery on issues ranging from developing a discovery plan, serving and responding to discovery, preparation of motions and seeking sanctions.

- 2007 – 2012 **Chaired Construction Litigation Form Interrogatories Committee**
Created and led a statewide committee in developing the Judicial Council's Form Interrogatories for Construction Litigation.
(<http://www.courts.ca.gov/documents/disc005.pdf>)
- 1992 – 1994 **Research Attorney for Law & Motion Department of Alameda County Superior Court.** Researched and drafted bench briefs for Law and Motion Judge regarding matters on the Law and Motion Calendar for Judge Parrilli and Judge Sabraw. Responsible for all discovery motions as well as mediating discovery disputes.
- 1987 – 1991 **Litigation Attorney**
Responsible for caseload of 60 active files in the areas of personal injury, product liability and commercial litigation.

REPRESENTATIVE CASES HANDLED AS A REFEREE OR SPECIAL MASTER

- **Construction Delay and Fraud** action against a major general contractor and an architect involving a design build, multi-prime public works project. Responsibilities included case management, coordinating discovery, pre-approval of discovery, rulings during depositions and rulings on discovery motions.
- **Personal Injury** action where passenger fell off platform and was run over by a train. Claim of driver intoxication, transit rail platform design defect and spoliation of evidence. Responsibilities included case management, ruling on discovery motions and in camera review of personnel documents.
- **Product Liability** case against major cosmetic company involving claims of facial burns and permanent scarring from product usage. Responsibilities included ruling on discovery motions, in camera review of customer complaints to review third party privacy and relevance prior to production and supervising notice to those customers pursuant to *Colonial Life* (31 Cal. 3d 785).
- **Class Action** involving claims of fraud against life insurance companies marketing life insurance policies as annuities. Responsibilities included case management, rulings on discovery motions and *Colonial Life* notice to class members.
- **Wage and Hour** claims by 240 managers against a chain retail store. Responsibilities included case management, ruling on discovery motions, outlining procedure for trial and settlement negotiations.
- **Construction Defect and Fraud** claim against developer, experts, insurance company and law firm for alleged fraudulent settlements of prior construction defect claims. Responsibilities included case management, ruling on discovery motions, outlining procedure for trial and settlement negotiations.
- **Sexual Molestation** action. Responsibilities included ruling on claims of attorney-client, marital, physician-patient, psychotherapist-patient, clergy-penitent and self-incrimination privileges at depositions.
- **Legal Malpractice** action for failure to file an international patent for Bio-tech Company. Responsibilities included case management, ruling on discovery motions and rulings during depositions.
- **Class Action** involving the management of several limited real estate partnerships throughout the country and challenging the merger of two publicly traded companies. Responsibilities included case management, rulings at deposition and rulings on discovery motions.
- **Wrongful Termination, Sexual Harassment and Age Discrimination** cases. Responsibilities included case management, rulings at depositions, in camera review of personnel records and rulings on discovery motions.
- **Family Law** cases. Responsibilities have included court-supervised sale of property, case management, and rulings on discovery motions and trial issues.
